

2nd Global Summit on

Climate Change & Environmental Sustainability

September 18-19, 2025

Sonesta Los Angeles Airport LAX, LA, USA

Address:

Scisynopsis LLC
Atlanta, GA 30326
USA

Tentative Programme

April 14-15, 2025

Fredua Agyemang , North-West University, South Africa	Title: Climate Change Mitigation and Disaster Risk Reduction for Sustainable Development in South African Cities: The Role of South African Legislation
Dillip Kumar Das , University Of KwaZulu-Natal, South Africa	Title: Climate Change Adaptation Strategies to Build Sustainable and Resilient Communities in the Global South – A Comparative Perspective on South Africa and India
Nkongho Ayuketang Arreyndip , Ca' Foscari University of Venice, Italy	Title: The Russia-Ukraine Conflict: Most vulnerable regional food markets and mitigation strategies
Zahraa Al-Ali , Dr.monitoringq8 Research Group, Kuwait	Title: Identifying Areas at High Risk of Flooding Using Remote Sensing Techniques for Successful Management Under Climate Change
Parisa Moghaddam , The Ohio State University, USA	Title: Powering Circular Agriculture: Economic Analysis of Renewable Energy Integration for Sustainable Poultry Farming
Earl John Abelieta , Don Jose S. Monfort Medical Center, Philippines	Title: Evaluation of innovative design principles for a climate-resilient secondary government hospital toward environmentally sustainable health facility
Salim Khan , Guangzhou University, China	Title: Reconciling Trade-offs Between SDGs 1, 10, and 13: Harmonizing Poverty Reduction, Inequality, and Climate Action for Sustainable Futures
Shaukat Ali , Centre For Global Child Health, Hospital For Sick Children, Canada	Title: Climate Metrics and Public Health: Insights from Global and DHS Cluster-Level Analysis
James Elekwachi , University Of Massachusetts, USA	Title: Consumer Acceptance of Cultivated Meat and Seafood among Nigeria GENZs
Mary Donkor , Jiangsu University, China	Title: Natural resource abundance, governance, and government expenditure: Empirical insights from environmental sustainability

**Speaker and Delegate
Slots Available.!**

Kamal Zehraoui , Hassan II University, Morocco	Title: Water scarcity and sustainable development: Addressing water resource challenges in the MENA Region
Oluwadamilola Ogundipe , Swiss Federal Institute For Forest, Snow And Landscape Research WSL, Land Change Science, Switzerland	Title: Satellite Image Analysis of Insect Defoliation and Climate on some pine stands in the Alps, Italy
Joseph Ceu Uk , Chaing Mai University, Thailand	Title: Farmer Perception and Adaptation to Climate Change impact in Hakha Township, Chin State, Myanmar
Jason Ratcliffe , Steren Surveyors UK Limited, UK	Title: Establishing the impact of orientation on the thermal transmission values of solid wall properties in a coastal situation.
ALEX NWOSU , Morgan State University, USA	Title: Quantifying Urban Resilience: Analyzing Green Infrastructure and Green Building Adoption in Washington, D.C.
Imane Zine Elabidine , Mohammed V University, Morocco	Title: Machine Learning Techniques for Reservoir Filling Rate Prediction: A Case Study of Al Massira Reservoir in Morocco
Housseem Eddine Hamdi , University Paris Est Créteil And University Of Carthage, France	Title: The Role of WTO in the Global Energetic Transition: Challenges and Opportunities to Reduce Global Warming Effects
Hyuk Jeong , Hankuk University Of Foreign Studies, South korea	Title: An Analysis of the Sweden's Methane Emissions Reduction Policies in Landfill, the Policy Enhancement Factors, and the Implications for Korea
Roger Telunaya , UK	Title: Assessing the Environmental Impacts of Municipal SolidWasteManagement at Sheffield Hallam University: A Life Cycle Assessment Approach
Hamed Nademi , California State University-San Marcos, USA	Title: System Integration and Interoperability Challenges Toward Net-zero and E-mobility
Yusuf Munshi , Swinburne University Of Technology, Australia	Title: Geographies of youth climate activism: A mapping of young people's geographical and digital climate mobilisation in Melbourne and Delhi
Vanessa Barends-Jones , Western Cape Department Of Agriculture, South africa	Title: Mitigating Carbon Emissions in Agriculture: The Western Cape Department of Agriculture's Carbon Footprinting Initiative.

***Speaker and Delegate
Slots Available.!***

Vanessa Barends-Jones , Western Cape Department Of Agriculture, South Africa	Title: Environmental Awareness and Education in Action: Evaluating the Recycling Project at WCDoA Research Farms
Chen Yingda , China	Title: How Does China's Land Use System Respond to Climate Change
Maryam Karimi , The University Of Memphis, USA	Title: Innovative Respiratory Health Monitoring Device with CanAiry: A Focus on Preventing Asthma and COPD Exacerbations
Philippe Borremans , RiskComms FZCO, Portugal	Title: The Universal Adaptive Crisis Communication Framework (UACC): An Integrated Approach for Managing Complex Crisis Scenarios
MEHARI BEYENE TESHOME , Free University Of Bolzano, Italy	Title: Mapping Green Technologies for a Sustainable Tourism Future
EKTA GUPTA , National Botanical Research Institute, India	Title: Advancing Microplastic Research: A Modified Soil Extraction Methodology with Integrated Diversity and Risk Assessments Across Eight Land-Use Types
Shweta Yadav , CSIR-National Botanical Research Institute, India	Title: Molecular Docking and Soil Enzyme Dynamics: Assessing Microplastics Interaction in Agroecosystem
MUSAIB NASEER BHAT , ANMUIRSA GLOBAL FOUNDATION, India	Title: Tackling Climate Change Through Energy-Efficient Brick Firing Technologies in Developing Countries.
Diane Roessler Weinert , USA	Title: South Korea's Investment Surge in the US: A New Era of Cooperation in Semiconductors and Clean Technologies
SUPRIYA P , Anna University, India	Title: Climate Resilient Green Infrastructure For Sustainable Urban Water Management
Yusuf Munshi , Swinburne University Of Technology, Australia	Title: Geographies of youth climate activism: A mapping of young people's geographical and digital climate mobilisation in Melbourne and Delhi
Mahbuba Mim , University Of Asia Pacific, Bangladesh	Title: Interdisciplinary Perspectives on Climate Change Impacts and Adaptation Strategies
Thi Thao Duong Vu , Diplomatic Academy Of Vietnam, Vietnam	Title: Amazon on Fire: Brazil's Soft Power in Ashes

***Speaker and Delegate
Slots Available.!***

Roger Telunaya , UK	Title: Assessing the Environmental Impacts of Municipal SolidWasteManagement at Sheffield Hallam University: A Life Cycle Assessment Approach
Abraham Openy , University Of Oulu, Finland	Title: Geospatial Correlation of Household and Ambient Air Pollution on Respiratory Health Outcomes in Sub-Saharan Africa: A DHS and Meteorological Data Analysis
ADINA IULIANA DEACU , Tianmei's World Academy, China	Title: Transforming Business: Redefining Profit-Driven Business Models for Sustainable Impact
Anna-Lena Müller , Karlsruhe Institute For Technology , Germany	Title: New insights into carbon footprints of dairy farming in pre-alpine regions of Germany: The role of emissions from drained peatlands in milk production
Hamna Khuld , Columbia University, USA	Title: Evaluating the Impact of Telemedicine Mobile Units on Health Outcomes, Healthcare System Resilience, and Disaster Response in Flood-Affected Areas: A Case Study of Sehat Kahani

2025

Important Information

Submit your Abstract in the Below Link

<https://climatechangeconferences.org/abstract-submission>

Abstract acceptance will be intimated through Email & WhatsApp.

Then you can proceed further by registering towards the conference to confirm your slot.

<https://climatechangeconferences.org/registration>

FOR DELEGATE PARTICIPATION:

You can directly confirm your slot by registering towards the conference under Delegate category.

<https://climatechangeconferences.org/registration>

Conference Registration

Presenter	\$ 699
Listener	\$ 749
Exhibitor	\$ 1449

Dates to Remember

Abstract Submission Deadline: **May 14, 2025**

Early Bird Registration Deadline: **May 16, 2025**

On spot registration: **September 18, 2025**

Registration Includes

Access to all Presentations

Certificate Accredited by our Organizing Committee Member

About Los Angeles

Los Angeles, California, a vibrant metropolis known for its diverse culture and iconic entertainment industry, is the perfect setting for any international conference. Nestled between the Pacific Ocean and picturesque mountain ranges, L.A. boasts a Mediterranean climate with sunny weather most of the year. The city is famous as the entertainment capital of the world, home to Hollywood's legendary studios and renowned landmarks like the Hollywood Walk of Fame and the Griffith Observatory. Attendees can explore rich cultural experiences, from the cutting-edge exhibits at The Getty Center and LACMA to the eclectic food scene reflecting its multicultural community. With beautiful beaches such as Santa Monica and Venice, Los Angeles offers a blend of relaxation and excitement. Its dynamic economy, world-class attractions, and reputation as a global hub for innovation and creativity make L.A. an inspiring venue for conferences and events.
