About Tokyo

Tokyo is the Japan's busy capital and one of the world's largest cities. Tokyo mixes the ultramodern and the traditional, from neon-lit skyscrapers to historic temples. Tokyo ranks high on every list of cities created by research institutions across the globe. Tokyo is known for its outstanding market scale, accumulation of globally leading companies, substantial and punctual public transportation, excellent public safety, hospitality, and cleanliness. With a history spanning over 400 years from the establishment of the Edo Shogunate, behind the culture of Tokyo lays the traditional Japanese spirit.
