

3rd International Conference on

Infectious Diseases

October 24-25, 2024

ANA Crowne Plaza Narita, Tokyo, Japan

Address:

Scisynopsis LLC
Atlanta, GA 30326
USA

About Conference

Welcome to the 3rd edition of **Infectious Diseases**, where innovation meets collaboration in **ANA Crowne Plaza Narita, Tokyo, Japan** on **October 24-25, 2024**. As we gather once again, it's our pleasure to extend a warm welcome to distinguished guests, esteemed speakers, and all participants who contribute to the richness of this intellectual forum.

In an era marked by unprecedented challenges and opportunities in the field of infectious diseases, the 3rd **International Conference on Infectious Diseases** is proud to present this year's theme, "**Strengthening Societal Defenses Against Infectious Diseases**". This theme reflects our commitment to addressing the dynamic landscape of infectious diseases, fostering collaboration, and advancing global health.

Diseases 2024**

About Japan

Japan is an island nation in East Asia. Located in the Pacific Ocean, it borders China, North Korea, South Korea, Russia, Taiwan, the Sea of Japan, the Sea of Okhotsk, and the East China Sea. It is an archipelago of 6,852 islands, most of which are mountainous, and many are volcanic.

Japan's architecture, art, traditions, crafts. Also, its worldwide known pop culture (including manga, anime, and video games). It's something that definitely only Japan can offer. No other country contains the same characteristics. Japan is often called "the land of the rising sun". In Japanese, the country is called Nihon (Nippon). Both Nihon and Japan originate from the same words; they literally mean "where the sun rises".

Himeji Castle

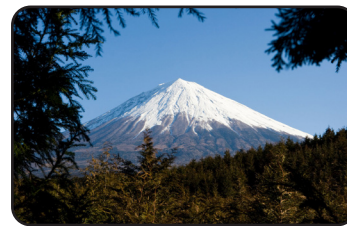

Itsukushima Shrine

Kamakura

Meiji Jingu

Mount Fuji
