

3<sup>rd</sup> International Conference on

# Infectious Diseases

October 24-25, 2024

ANA Crowne Plaza Narita, Tokyo, Japan

**Address:**

Scisynopsis LLC  
Atlanta, GA 30326  
USA

## October 24-25, 2024

<p><b>Chien-Te Kent Tseng</b>, University of Texas Medical Branch, USA</p>	<p><b>Title:</b> Characterization of Unique Pathological Features of COVID-Associated Coagulopathy: Studies with AC70 hACE2 Transgenic Mice Highly Permissive to SARS-CoV-2 Infection</p>
<p><b>Sumalee Kondo</b>, Thammasat University, Thailand</p>	<p><b>Title:</b> Genome analysis of ESBL-producing E. coli and K. pneumoniae isolated from patients who underwent abdominal surgery</p>
<p><b>Yen-Hung Chow</b>, National Health Research Institutes, Taiwan</p>	<p><b>Title:</b> Natural killer T cells play a significant role in preventing Coxsackievirus A10 infection through an adeno-based vaccine expressing enterovirus-like particles</p>
<p><b>Swami Shraddhamayananda</b>, Monk in Charge of Medical Unit ,Ramakrishna Mission Charitable Dispensary, India</p>	<p><b>Title:</b> On the promising role of homeopathic medicines in the prevention of post herpetic neuralgia</p>

## Speaker Slots Available.!

<p><b>Nuran Sabir</b>, Pamukkale University, Turkey</p>	<p><b>Title:</b> Imaging Findings and differential diagnosis of septic arthritis</p>
<p><b>Shu-Ling Yu</b>, National Health Research Institutes, Taiwan</p>	<p><b>Title:</b> Human SCARB2 Acts as a Cellular Coreceptor for helping HFMD pathogens infection</p>
<p><b>Vinoth Kumarasamy</b>, Senior Lecturer, National University of Malaysia, Malaysia</p>	<p><b>Title:</b> Blastocystis Subtype Distribution in Malaysian Inflammatory Bowel Disease (Ibd) Patients</p>
<p><b>Zhaoyun Chen</b>, The Sixth People's Hospital of Zhengzhou, Henan, China</p>	<p><b>Title:</b> Epidemiological Characteristics of Genotypic Drug Resistance in Acquired and Transmissible HIV in Henan, China</p>
<p><b>Suman Lata</b>, Research Associate , National Institute of Malaria Research, India</p>	<p><b>Title:</b> Molecular identification of sand flies collected from an endemic focus of cutaneous leishmaniasis in Northern India</p>
<p><b>Byron Velasquez</b>, Universidad de Las Américas, Ecuador</p>	<p><b>Title:</b> Knowledge about methods of disinfection of dental impression among dentists from Ecuador post SARS-COV-2 pandemic.</p>

## Speaker and Delegate Slots Available.!

<b>Tathagata Bhattacharjee</b> , London School Of Hygiene & Tropical Medicine, UK	<b>Title:</b> Advancing Public Health: Leveraging Machine Learning for Enhanced Infectious Disease Monitoring through Integration of Demographic Surveillance and Clinic Records Retrospectively in Low- and Middle-Income Countries
<b>Lalita Narachasima</b> , Thammasat University, Thailand	<b>Title:</b> Genotypic characterization of MRSA from patients during the period 2012 to 2022 at two tertiary hospitals in Thailand
<b>Ella E. Gallego</b> , West Visayas State University Medical Center, Philippines	<b>Title:</b> Risk Factors Associated with Hospital Acquired Pneumonia (HAP) Patients for Getting Intubated in a Tertiary Hospital: A Prospective Unmatched Case-Control Study
<b>Zhengdong Zhong</b> , Huazhong University of Science and Technology, China	<b>Title:</b> Study on the Fairness of Treatment Outcomes in Multidrug-Resistant Tuberculosis Patients
<b>Paul Bourgade-Su</b> , Anahuac University México, USA	<b>Title:</b> In vitro evaluation of the antimicrobial effect of toxins from the venom of the tarantula <i>Poecilotheria regalis</i> .
<b>Speaker Slots Available.!</b>	
<b>Manosha Perera</b> , Griffith University, Queensland, Australia	<b>Title:</b> Asymptomatic Herpes Simplex type 1 (HSV-1) and Herpes Simplex type 2 (HSV-2) infections in a group of substance abuse male patients with oral fibroepithelial polyps(FEP)s
<b>Muhammad Ijaz</b> , Qilu Institute Of Technology, China	<b>Title:</b> Screening of Active Ingredients from Wendan Decoction in Alleviating Palmitic Acid-Induced Endothelial Cell Injury”
<b>Anuruddhika Iroshani Jayarathna</b> , Lecturer, Globale Stanford Campus, Sri Lanka	<b>Title:</b> An Explorative Study of The Sri Lankan Intensive Care Nurses’ Perceptions of Oral Care Practice of Intubated Covid-19 Patients
<b>Divya Mittal</b> , Maharishi Markandeshawr, India	<b>Title:</b> Novel Biocompatible Green Copper Nanoparticles Efficiently Eliminates Multidrug Resistant Nosocomial Pathogens and Mycobacterium Species
<b>Nadine D. Bacalangco-Suerte</b> , West Visayas State University Medical Center, Philippines	<b>Title:</b> Clinical Characteristics and Outcomes of Breakthrough COVID 19 Infection among Vaccinated patients admitted in a Tertiary Hospital

**Speaker and Delegate  
Slots Available.!**

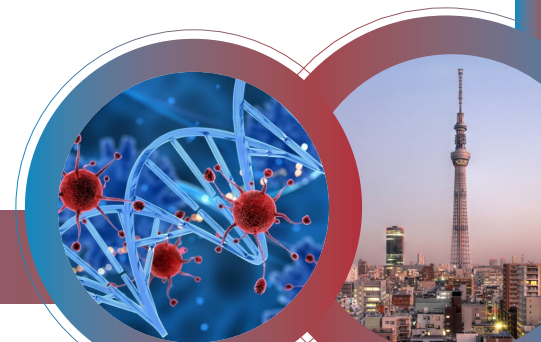

<b>Priyanka Mehta</b> , CSIR-Institute Of Genomics And Integrative Biology, India	<b>Title:</b> SARS-CoV-2 infection Severity and Mortality is modulated by Repeat-mediated regulation of Alternative Splicing
<b>Priyanka Mehta</b> , CSIR-Institute Of Genomics And Integrative Biology, India	<b>Title:</b> Suppressed transcript diversity and immune response in COVID-19 ICU patients: a longitudinal study
<b>Kelvin Clein Curitana</b> , Dr. Paulino J. Garcia Memorial Research And Medical Center, Philippines	<b>Title:</b> Treatment Outcomes and Associated Factors among Patients with Drug-Resistant Tuberculosis (DR-TB) at a Tertiary Government Hospital in Nueva Ecija: A Seven-Year Retrospective Study
<b>Kelvin Clein Curitana</b> , Dr. Paulino J. Garcia Memorial Research And Medical Center, Philippines	<b>Title:</b> Acute Pancreatitis In Severe Dengue: An Uncommon Complication

**Speaker and Delegate  
Slots Available.!**

Diseases 2024**

# Important Information

Submit your Abstract in the Below Link

<https://scisynopsisconferences.com/infectiousdiseases/abstract-submission>

Abstract acceptance will be intimated through Email & WhatsApp.

Then you can proceed further by registering towards the conference to confirm your slot.

<https://scisynopsisconferences.com/infectiousdiseases/registration>

## FOR DELEGATE PARTICIPATION:

You can directly confirm your slot by registering towards the conference under Delegate category.

<https://scisynopsisconferences.com/infectiousdiseases/registration>

# Conference Registration

Presenter	\$ 699
Listener	\$ 749
Exhibitor	\$ 1449

# Dates to Remember

**Abstract Submission Opens for Oral/Poster Presentation**

Early Bird Registration: **April 30, 2024**

On spot registration: **October 24, 2024**

# Registration Includes

**Access to all Presentations**

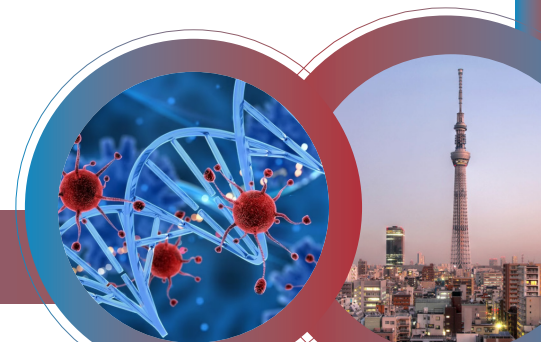

**Conference Proceedings Book**

**Certificate Accredited by our Organizing Committee Member**

**The Participants will be awarded with Best Poster and Best Oral Presentation Award**

**Infectious  
Diseases 2024**

# About Japan

Japan is an island nation in East Asia. Located in the Pacific Ocean, it borders China, North Korea, South Korea, Russia, Taiwan, the Sea of Japan, the Sea of Okhotsk, and the East China Sea. It is an archipelago of 6,852 islands, most of which are mountainous, and many are volcanic.

Japan's architecture, art, traditions, crafts. Also, its worldwide known pop culture (including manga, anime, and video games). It's something that definitely only Japan can offer. No other country contains the same characteristics. Japan is often called "the land of the rising sun". In Japanese, the country is called Nihon (Nippon). Both Nihon and Japan originate from the same words; they literally mean "where the sun rises".

Himeji Castle

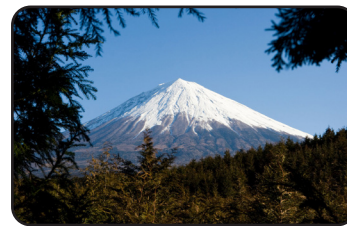

Itsukushima Shrine

Kamakura

Meiji Jingu

Mount Fuji
